RESPONSE TO OFFICIAL ACTION

Commissioner for Patents
Washington, D. C. 20231

Dear Sir:

In response to the species election requirement mailed January 24, 2002, Applicants elect the alleged Species I relating to Figure 1. Claims 1, 2, 5, and 6 read on that figure. Accordingly, at least those claims should be immediately examined.

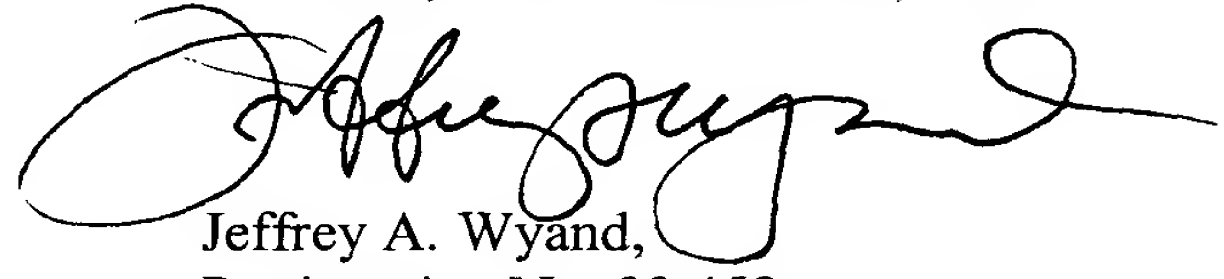

While the Examiner stated that no generic claim was presented in the patent application, Applicants note that, upon allowance of claim 1, claims 3 and 4 should be rejoined to the prosecution because claim 1 is generic as to those other two claims. Likewise, upon allowance of claim 5, claims 7 and 8 should be rejoined to the prosecution since claim 5 is generic as to those two dependent claims.

In re Application of Gotou et al.
Application Number 09/881,665

The purpose of the foregoing comments is to state that, pursuant to 37 CFR 1.141, Applicants intend to pursue claims that are not initially examined but for which generic claims are examined.

Respectfully submitted,

LEYDIG, VOIT & MAYER, LTD.
